

LUND-MARK INC.

Audio Visual Cabinets

We offer three different lines of cabinetry.

Our Veneer AV cabinets are constructed using:

- Pure Bond: Formaldehyde-free Hardwood Plywood.
- They are LEED & CARB compliant.
- Durable 3mm Wood Veneer edge tape.
- Industrial locking 3" casters.
- Veneers are finished with a true non-yellowing water base finish.

Economy AV Veneer cabinets are constructed using:

- Pre-finished maple plywood
- They are LEED & CARB compliant.
- Durable .018 Pre-finished Wood Veneer edge tape.
- Industrial locking 3" casters.

Economy AV cabinets are constructed using:

- Furniture grade laminates
- Durable .018 PVC edge tape
- 4" Furniture grade locking casters

All three lines have optional accessories:

- Flip up shelves
- Pullout keyboards
- Cable management
- Locking doors
- Adjustable shelf
- Drilled for RRF rack rail
- Custom cut outs
